Manage family wealth **together.**

With Private Invest, you can group multiple accounts under a single-household structure, allowing for coordinated investment strategies and comprehensive reporting.

This feature is ideal for families looking to manage their wealth collectively. The comprehensive reporting for Private Invest also gives you the option to look at accounts separately to protect individual privacy, if preferred.

Managing your investments your way

Easy account set up via a single online application. Save time and skip paperwork to open your Private Invest account.

Access sophisticated investments not available to retail investors, including alternative investments, such as private credit, private equity and private infrastructure.

Flexibility to invest via the HUB24 platform and to have your other investments administered by HUB24.

Save time with less paperwork. You'll have wholesale status as long your HUB24 Private Invest Scheme account remains open with no need for repeated certification.

Efficiently transact, manage and administer all of your investments in one place. Access key documents and provide investment instructions online.

Access comprehensive reporting and a holistic view of your wealth via InvestorHUB. Engage with a transparent view of your investments.

Include your whole family. With Private Invest, you can group your whole family's investments together in one place for convenience and efficiencies but also view assets separately for privacy purposes.
